

A Response to the book

Anthony, the Great

by John Sarantakis, Illustrated by Misha Pjawa

In the book *Anthony, the Great* by John Sarantakis, Illustrated by Misha Pjawa, Anthony loves to tell people that their problems are “not as big as a dinosaur” so that they don’t worry so much. He believes that dinosaurs are the biggest things in the world. But by the end of the book, Anthony learns that that isn’t true. He discovers the love of God, and learns that it is bigger than a dinosaur!

What big thing would you compare God’s love to? Anthony compared it to a dinosaur. Draw (or write about) your comparison here.

God’s love is bigger than:
